

## The Details

### TEC is...

a three day weekend retreat. It begins at 10am on a Saturday and ends at about 4pm on Monday. Participants are required to attend all three days. Its a special learning experience for youth in their late teens (16 – 21 years old). TEC is a weekend free from the pressure and stress of school and work, where you will experience living with others and with Christ in a Christian community.

The program is based on talks and discussions. Worship is also an important part of the weekend, as is live music, fun and fellowship. However, it is not a therapy program. Anyone undergoing serious personal crisis should reconsider attending the upcoming weekend.
